

Harsh Patel is working as an Assistant Professor at Department of Information Technology in Chandubhai S Patel Institute of Technology, CHARUSAT since June, 2015. Previously, he was working as a lecturer in Department of Information Technology, BVM for 9 months. He has 2 year teaching experience. He received Bachelor degree in Computer Engineering in May, 2012 with First Class. He got Master degree in Information Technology from GCET, Vallabh Vidhyanagar in 2014. He has published 1 Research paper in International Journal. He had attended 1 STTP in his professional career. His areas of interest are Asp.net, Data Structure and files, web development, service oriented architecture and Programming language C. He taught subjects like Data structure, Service oriented architecture and web technology (HTML, CSS, php, Asp.net, java). He is a Professional member of ACM.

His Research area during the PG course was wireless sensor network. He completed his research work under guidance of Assistant Prof. Nirav M. Raja, Department of Information Technology, GCET Engineering College.

Research Publication:

1) Harsh Patel and Nirav M. Raja, “**Secure Data Aggregation in Wireless Sensor Network**”, *IJRIT International Journal of Research in Information Technology*, Volume 2, Issue 3, March 2014.

Harsh Patel
Assistant Professor,
Department of Information Technology,
CSPIT, Charusat.
